

Recruitment and Procedures

1. The prospective member is given, sent, or downloads from the website, an application form. The prospective member returns the form complete with cheque if they wish to join with the proviso of participating in at least 3 events a year.
2. Members will be assumed to have resigned if they have not paid their annual subscription by the end of May.
3. To ensure that Members are aware of current proceedings, and to provide a good size audience for our speakers and entertainers attendance at Monthly Meetings is positively encouraged. In view of this, if Members miss 3 consecutive monthly meetings they might be contacted by our Membership Secretary. It might be that the member is ill and we are unaware of this, or extenuating circumstances have prevented such attendance, in which case we would like to know. The alternative is that the member is no longer able or willing to remain a member so can free a space for a new person to become a Member should the Membership be full.
